Improved Relationships

Specialist Behavioural Intervention Support

Highly specialised intensive support interventions to address significantly harmful or persistent behaviours of concern. Development of behaviour support plans that temporarily use restrictive practices, with intention to minimise use of these practices.

**\$200.58
per hour**

Behaviour management plan and training in behaviour management strategies

Training for carers and others in behaviour management strategies required due to the participant's disability.

**\$182.74
per hour**

Improved Health and Wellbeing

Dietitian consultation and diet plan development

Individual advice to a participant on managing diet for health and wellbeing due to the impact of their disability.

**\$182.74
per hour**

Finding and Keeping a Job

Employment related assessment and counselling

Workplace assessment conducted by an allied health professional to determine adjustments or modifications to the workplace or work processes to ensure employment is maintained and matches the employee's capabilities.

**\$182.74
per hour**

Coordination of Supports

Coordination of Supports

Support coordination to assist with implementation of supports in a participant's NDIS plan, and connection with people and services in the community that can help meet NDIS goals. This may include resolving points of crisis and developing resilience in the participant's network.

**\$96.04
per hour**

Specialist Support Coordination

Specialist support coordination is delivered by an allied health professional. A Specialist Support Coordinator will support a participant to implement all the supports in their NDIS plan. They will work to address barriers and reduce complexity in a participant's environment, assisting to connect with supports, build capacity and resilience.

**\$182.74
per hour**
