Home Modifications Project Management	<b>\$150 / hour</b>

## Assessment Services

We offer a range of assessments, including functional assessments, autism diagnostic assessments, developmental assessments and Language Development Centre assessments. Please contact us for further information and a customised quote.

We can provide Medicare rebate services for children with autism, pervasive developmental disorders (PDD) or any other eligible disability under a Chronic Disease Management Plan and Focussed Psychological Strategies (Mental Health Care Plan).

Medicare rebates apply to some services. To claim a Medicare rebate you must provide an eligible referral from your GP or medical specialist prior to your session with a therapist. As we do not bulk bill our services, there will be a gap payable.

Health insurance rebates may also apply. Please contact your private health insurer for more information.

Prices are valid from 7 September 2020 and may change without notice. Cancellation fees will apply if appointments are cancelled with less than 1 business days' notice. For more information please refer to our Terms of Trade.
