

Modifying Vehicles and Developing Transport Plans

Gain the knowledge and skills to assess and prescribe vehicle modifications, where the customer is a passenger in the vehicle.

The training progresses to include the development of transport plan. This training is targeted for therapists who are at application and mastery level for manual wheelchair and power wheelchairs due to the knowledge required around Australian standards for transportation.

Date: Wednesday 24 February 2021

Time: 8:30am - 4:30pm

Cost: \$385 + booking fee

Venue: Therapy Focus Bentley
Suite 6, Bentley Plaza
1140 Albany Hwy, Bentley

What will I learn?

- Independently complete 'Risk Assessment Checklist for Wheelchair Transportation in Vehicles', developed by the WA Travel Safe Interagency Group
- Develop and implement an 'Individualised Transport Plan'
- Assess and prescribe modifications to enable client in wheelchair to be a passenger in the vehicle
- Complete NDIS AT Form – Vehicle Modifications
