Please note that the above 'Service Packages' are created as a guide. Length and number of sessions may be able to be adjusted in consultation with your therapist based on individual needs and goals. It will be discussed during the scheduling process how many hours will be initially allocated via the Service Agreement, with any change to this subject to our Terms of Service which can be viewed at [therapyfocus.org.au](http://therapyfocus.org.au).

\*Second clinician will be a Therapy Assistant.
