

Price List for NDIS Funded Services

Effective 10 April, 2026

Therapy Focus is a registered provider for the NDIS and delivers services under the following support categories.

Prices listed are per hour. Travel is charged at half the relevant hourly rate, plus 0.99c per kilometre. Locations are determined by the Modified Monash Model (MMM). To find out which MMM category you live in, use the Health Workforce Locator tool at health.gov.au.*

To reduce travel costs, you can visit one of our [office locations](#) or access services online via teletherapy. See our [Terms of Service](#) for more information.
